

\$11.3 M

ulivit™

Ulivit's passion for delivering new consumer products

PROTEIN INDUSTRIES CANADA

Protein Industries Canada's industry knowledge, connections, and resources

AGT FOODS

AGT Food's business experience and pulse supply chain

TOGETHER THESE 3 ORGANIZATIONS ARE INVESTING \$11.3 MILLION IN THE FUTURE OF PLANT-PROTEIN IN CANADA.

To create new plant-based foods using pulses grown and processed on the Prairies.

The end result will be increased demand for Canadian pulses and more healthy products for consumers here in Canada and around the world.

Supporting jobs and growth across the country.
