

Protein Industries Canada Career Opportunity

Protein Industries Canada (PIC) is one of Canada's newly announced supercluster initiatives located in the heart of the prairies. The mandate of the industry-led protein supercluster is to unleash the potential of Canadian crops and accelerate the innovation of plant protein products and co-products. We aim to create stronger connections between large firms, small and medium sized enterprises, start-ups, post-secondary research institutions and government partners, and open the door to new forms of industry collaboration.

We are excited to start building our executive team with experienced professionals who are passionate about realizing Canada's opportunity to be a leading source of high-quality plant protein. A competitive compensation and benefits package awaits the successful candidate.

Chief Operating Officer (COO)

Located in Regina, Saskatchewan and reporting to the CEO, the Chief Operating Officer will provide leadership and oversight on the major internal functions of the organization. You will bring functional skills and experience in finance, business metrics, board governance, as well as corporate processes and standards. Your keen eye for detail and initiative will identify trends, issues and opportunities for continuous improvement and managing enterprise risks. To ensure success in this role, you must have robust financial experience with complex multi-party projects and reporting requirements.

What You Will Do

- Provide overall financial management, tracking and metric reporting
 - Budget development, projections and tracking
 - Financial, project milestone and outcome reporting
 - Audit and compliance functions
- Develop, track and report on key performance indicators
- Coordinate Committee and Board meetings
- Develop and manage IT solutions
- Develop and manage data privacy policies and processes
- Develop and oversee all corporate policies

What You Will Bring

- A CPA/CMA designation
- A minimum of 10 years of experience in finance and accounting
- A track record of working in a high-paced environment focused on delivering results

Please submit your cover letter and resume to protein@sasktel.net on or before November 15, 2018.
